

Effective Tuesday, 03/15/2020:

- The presence at CVIM of staff, volunteers and other individuals will be restricted to those who must be there in person for the purpose of medical services and operations.
- Medical service will be limited, as follows, and will continue as staffing allows:
 - Essential services to continue:
 - Nurse services by phone
 - Clinical provider services by phone
 - Medication refills and assistance
 - Limited clinic appointments
 - Limited laboratory testing
 - No COVID-19 Testing
 - Services to first be triaged by phone and handled in person only as needed:
 - Nurse services
 - Medical provider services for clinical questions
 - Urgent vision questions
 - Urgent nutrition questions
 - Urgent mental health questions
 - Mental health crisis should be referred to Clackamas County Line: 503-655-8585
 - Services to be suspended until further notice (except on a case by case basis, after triage assessment and medical director approval):
 - Routine wellness exams, including pap smears
 - Vision clinics
 - Physiatry clinics
 - Mental health clinics
 - Nutrition classes and appointments
- Changes to any community partner services offered at CVIM will be communicated by community partners to their clients and patients.
